The webpage committee has been working on email addresses for all Michigan Lodges. Each Lodge will be given an email address using their name and number

**ex: Sturgis1381@mielks.org or
howell2168@mielks.org**

**Your password will be sent to your Lodge by US Post.
Please watch for it**

The only exceptions to this will be Warren Sterling Hts, Houghton Higgins Lake and St Joseph Benton Harbor. These addresses will be houghtonhiggins1982, warrensterling2292, and sjbh541 all at mielks.org. This is due to the size of their names and the limitations of the email addresses. Please make a note of them for future use.

Once you have you email address and password go to

<https://sitemail.hostway.com/>

Enter the information there and you will be taken to a page that you can access your email.

The first time you go there click on Change Password and change the password to something you are comfortable with

There are many ways to link this to your regular email but I will leave it up to you to discover.
