

PRINT ME OFF and then call in on a call that works for your schedule!!!

Attention all Major Project Lodge Chairman (or Exalted Ruler's where the Lodge Chairman position is open), the Major Project Commission welcomes you to the District Major Project Conference calls! The District DD's, DVP's and DVC's are also invited and encouraged to attend!

YOUR participation is needed so that you have the tools you NEED to *inspire* your Membership!

As a Lodge Leader, it is up to you to educate your Membership about how Major Project works, how the donations you raise IMPACT the children we are here to serve, set goals for giving that allow Michigan Elks to be a place to turn when help is needed, and to share the stories to inspire pride in giving a hand UP to these special needs children!

The Major Project chairman is a vital role within EVERY LODGE – and the bonus is that it is rewarding too!

Make your voice one that inspires....join us and begin the journey that truly makes a difference in a child's life!

Attached is the conference call schedule (revised) for the year. If you are unable to attend your scheduled call, jump on a different time or District! The only thing that matters is your participation!

Call in number: 712-775-7031. Enter Meeting ID: 753598735 #. Announce yourself and get ready to INSPIRE!!!

DO GOOD in ALL YOU DO!!
