All families seeking Elks Major Project Camp Awards must first apply to the camp (directly) and indicate that they are in need of an Elk Award. If funds are available through the camp, Applications for an Elk Award must be completed by the parents/legal guardian, and RETURNED to the camp (NOT the Major Project office). If Camp Awards are exhausted, parents/guardians may still apply for a Request For Assistance to receive consideration as a CASE. The local Elks Lodge Major Project Chairman or Exalted Ruler will help to complete the Request for Assistance to be submitted.
