Date:_____

Michigan Elks Association Major Project
Equipment Checklist
Attach to "REQUEST FOR ASSISTANCE FORM"

Complete the following when submitting a request for electronics and software.

Lodge: _____ No. _____

Chairman: _____Chairman ph. #_____

Child's Name _____

Age	
Specific requested hardware (i.e. tablet, laptop, desktop):	
Has therapist/physician recommended specific software?	
If yes, list requested software required:	
Does equipment require any special accessories? (i.e. voice, breath control, protective case).	
Is there a contact (therapist or physician) that the Major Project office can speak with for any further questions? Please provide contact information.	
Please attach any and all information that you may have that will help us to provide the best solution possible for the child!	

If further items are needed to help "fit" the child, the Major Project Office will contact the Lodge Chair.
